## BUYING WITH CONFIDENCE

All of our products are covered by an industry leading 5 year warranty providing end customers with repair or replacement of parts subject to certain common exclusions. Actual Limited Warranty terms are included with your product at time of purchase. Copies of sample Limited Warranties are available through our web-site (Omix-ADA.com) or through our customer service hotline.

## ECLIPSE SUN SHADE

Craving that top down experience in your Jeep, but still want protection from harsh sunlight? This full-length shade protects both front and rear passengers from the sun while offering a top down feeling. With mesh construction, this sun shade is held between the windshield and the rear crossbar, eliminating the need for a header channel. The built-in elastic straps allows this design to retain access to the Jeep's top clamps, so you can keep the shade in place and still use the factory top.

# QUICK RELEASE MIRRORS

Love taking your doors off, but hate the hassle of swapping out your mirrors? Have mirror relocation brackets, but dislike the limited visibility they offer with doors on? This quick release textured black rectangular side mirror offers the perfect solution for your Wrangler. How quick can you remove or install this stylish quick release mirror? In a word, quick! The mirror mounts to a bolt-on bracket and is secured with a locking knob that allows for easy installation and removal. The long adjustable arms give you great visibility with your doors off or on.

# ALL-TERRAIN CENTER CONSOLE COVERS

The All-Terrain Center Console Covers are designed to prevent the accelerated wear and tear common to Jeep® Wrangler interiors. Molded from durable polyurethane foam, the All-Terrain Center Console Covers create a heavy duty barrier to protect the factory console, while also enhancing interior styling with Rugged Ridge's unique tread design. Easily installs within seconds and secures with automotive grade adhesive tape. Patent No. D627,285

# WINDSHIELD LED LIGHT BAR

This windshield LED light bar is constructed from sturdy two-inch welded steel tubing and is secured to the vehicle using specially engineered A-pillar brackets that replace the OE windshield brackets. The contour hugging light bar frames the windshield, accommodating three Rugged Ridge 13.5-inch LED Light Bars with low profile tabs; providing flexibility in additional illumination on the trail for nighttime off-roading. The light bar incorporates a special wind deflector to dramatically reduce whistling and buffeting of your soft top. No drilling required for installation.

Windshield LED Light Bar	Part #
Textured Black, 97-06 Wrangler TJ/LJ	11232.08

# HOOD LIGHT BAR

Looking for additional locations to mount your LED lights while you're on the trails? The Rugged Ridge TJ Hood Light Bar mounts to the top of your hood using existing OE hardware and 4 mounting locations. Featuring heavy duty black powder coated steel construction, this light bar offers everything you need!

Hood Light Bar	Part #
Textured Black, 97-06 Wrangler TJ, LJ	11232.09

# DUAL A-PILLAR LIGHT MOUNT

This pair of Dual A-Pillar Light Mounts are constructed from heavy-duty steel and available in a long-lasting textured black finish. These brackets are easily mounted to the lower windshield mount using the TJ's existing mounting bolt holes, meaning there is no drilling or cutting required for installation.

Dual A-Pillar Light Mount	Part #
Textured Black, 97-06 Wrangler TJ/LJ	11232.36

# WINDSHIELD BRACKET LED KITS

Looking for an alternate way to mount your lights during your off-roading adventures? This Rugged Ridge Windshield Bracket LED light kit allows you to quickly and easily mount your LED lights to your factory windshield hinges, creating two great spots for off-road lighting. This easy to install kit includes two black powder coated windshield mounting brackets and two 3-inch square LED lights for optimal illumination on the trails. No drilling required.

Windshield Brackets LED Kits	Part #
Square, 97-06 Wrangler TJ/LJ	11027.12
Round, 97-06 Wrangler TJ/LJ	11027.13

# BOULDER ALUMINUM DIFF COVERS

The new matte black Boulder Aluminum Differential Covers are constructed from A356-T6 cast aluminum for strong impact resistance and feature a precision machined sealing surface, allowing gaskets or RTV sealant to be used for a leak-free seal. The Boulder Aluminum Differential Covers come complete with a magnetic drain plug for protection against costly damage from metal particles that can accumulate in gear oil. Also includes a specially designed dipstick bolt to help Jeep® owners avoid under or overfilling their differentials.

Boulder Differential Cover, Dana 30	16595.13
Boulder Differential Cover, Dana 35	16595.14

## TUBE DOORS

Like the "doors off" feel but also want the added convenience and utility of having doors on the trail? Rugged Ridge® Tube Doors are constructed from durable 1.5" mandrel bent steel tube that is E-Coated primed and then textured powder coated for a long lasting finish. Tube doors help increase visibility when climbing obstacles and trail riding. The Tube Doors interchange easily with the factory steel doors and require no body modification for installation. They are light weight and small enough to be stored easily in back of the vehicle when not in use.

Tube Doors	Part #
97-06 Wrangler	11509.20

## PINK D-SHACKLES

This pair of heavy duty powder-coated pink 3/4-inch D-shackles from Rugged Ridge have a 3/4 -inch pin and a 9,500 lb. working load limit (WLL), and are the shackles you'll need for recovering stuck Jeeps.
